HOW TO USE THIS RESOURCE

Thank you for purchasing *The Way I'm Wired*. We hope that you find this resource helpful and valuable to your ministry. As with most Simply Youth Ministry published resources, the DVD and files on the CD-ROM can be reproduced as necessary for use within your church. Below you'll find a few suggestions on how to use this resource, as well as what's included on this CD-ROM.

SUGGESTIONS ON HOW TO USE THIS RESOURCE

The Way I'm Wired can be used in a variety of different settings:

Small Groups
This resource thrives on the discussion component. Show the video to your students and follow up with some of the discussion questions to get your students talking and forming relationships that could last a lifetime.

Sunday School
Allow your students to learn from one another as they share their thoughts and insights to the lessons on the DVD.

Worship Service
Use the lessons on the DVD to support the point that you're trying to make in your message. With this model, the discussion questions can be used by the leader to get student feedback or can be presented to the students to discuss with one another during the worship service.

Other Suggestions
These lessons can also be used during camps or retreats, homeschooling environments, and personal coaching or mentoring sessions.

INCLUDED ON THE CD-ROM

Backgrounds
In this folder you'll find nine background images that you can use to promote the curriculum throughout your ministry. Whether you want to place your information over the

images as an announcement slide or would like to use the files as a background for an informational brochure, these images are there to use at your discretion.

Discussion Questions
In this folder you'll find the discussion questions for each lesson in both .doc and .pdf formats. If you'd like to use the questions as is, we recommend printing off the .pdf file of the lesson to give to your leaders and/or students.

The .pdf file is not editable; however, it does include the images and graphics that go along with the curriculum.

If you would like to make changes to the questions, feel free to do so in the .doc format. Either way, make sure to produce enough copies of the material for your leaders and your students.

Here you'll find print-ready postcards that we've included for use at your discretion along with a layered Photoshop file, in case you'd like to use elements from the cover artwork.
