God Identifies David as the Future King

Child with beard prop waving at camera, flanked by rest of Crew gesturing toward him with both hands like a game show assistant showing off a prize**

Child with beard prop looking up**

Child with beard prop next to a shoulder-to shoulder lineup of kids**

Standing kid with hands on hips, grinning; other kids on their knees next to him or her

Kids’ faces crowded together with huge grins

Kids pretzeled into strange shapes

Kids running

Kids jumping, all off the ground at same time

Kids pointing to their foreheads

Kids making heart shapes with their hands over their chests

Kids making pouty faces

Shoulder-to-shoulder lineup of kids with empty spot in the middle

Kid holding staff;
other kids on all fours
pretending to be sheep**

Child who has beard prop with an arm on the shoulder of another child who is holding the staff**

All the kids jumping together, with arms up

God knows you.
