ANANIAS HELPS SAUL

Smiling Kids holding up Bibles**

A few kids shading their eyes as if looking far away

Several kids shaking their fists at the camera

Several kids with hands on hips, looking stern

Kids looking shocked

Kids biting their nails and looking scared

Boys waving at the camera

Kids each cupping a hand
to an ear as if listening

Kids crouching with hands covering their heads, as if hiding

Kids pointing to a page
in an open Bible**

Kids looking surprised and confused

Kids pointing lit flashlights at the camera**

Kneeling kids looking up with hands over their mouths, as if very surprised

Kids pointing into the distance

Kids with hands covering their eyes

Kids on knees with
praying hands

Different kids biting their nails and looking scared

Kids giving each other high-fives

Happy kids cheering
and clapping

JESUS'
POWER HELPS
US DO
HARD THINGS.
