# Going Above and Beyond the Theme...

You love watching kids have fun at VBS! The laughter is contagious, and the joy you feel is real. **It's what God has called you to do.** Of course having fun and creating an exciting theme is part of the experience, but there's something more that happens with **Group's Holy Land Adventure VBS.** There's something deeper connecting kids to Jesus in a more personal way. Kids don't just memorize a Bible verse; they *personalize* it. They don't just learn a Bible story every day; they *experience* it. And these eternal truths are reinforced in every activity they do.

Group's VBS helps kids move from **knowing about God to knowing God.** How does it happen? Not by accident! To achieve such a highly relational atmosphere, the right physical, emotional, and spiritual environment must be created. One that **allows Jesus to work and speak.** And when it comes to VBS, no one is more *purposeful* than Group about creating this precise environment. The music matches the theme and Bible Points. The snacks and games have a purpose beyond just feeding and entertaining kids. **Every experience at Group's VBS has been designed to create the best possible environment for God to change kids' hearts!**

You can see and feel what's happening at VBS, you know lives are being changed, but it's hard to describe. It just **"feels" right!** Remember, this feeling is not just about the theme. **With Group's VBS, kids are discovering a true lifelong relationship with Jesus!**

Ancient Babylon was the capital city of the powerful nation Babylonia, located in Mesopotamia. In today's geography, the site of the historical city of Babylon sits in contemporary Iraq, about 70 miles south of Baghdad.

Daniel spent his entire adult life as a captive in Babylon. Scholars believe the young man was forcibly taken to Babylon around 605 B.C., and Daniel 1:21 reveals that he remained there until at least 539 B.C. That means Daniel lived in Babylon well into old age—more than 60 years!

# Babylon Awaits You!

See firsthand Daniel's courage in captivity!

**JOIN DANIEL**—torn from his home and forced into a foreign king's service. Immerse yourself in the exotic sights and smells of Daniel's new Babylonian world. Imagine the **pressures** of learning a new language and culture...and the **shock** of discovering your best friends have been tossed into a **fiery furnace**—just because they follow God.

When King Nebuchadnezzar forced Daniel and his friends to relocate to Babylon, he was basically taking post-war hostages from Israel's royal families. By doing this, Nebuchadnezzar gained promising recruits for his own service—and also reminded people back in Jerusalem that they shouldn't dare to revolt against his recently imposed Babylonian rule.

# What Goes on at Babylon?

We'll show you around!

At Holy Land Adventure VBS, kids and adults “time-travel” back to ancient Babylon! Here’s what happens each day:

### Opening Celebration

Everyone starts the day with a fun time of energetic singing and worship.

### Opening Tribe Time

After Celebration, kids head off to small groups—their Tribes. They gather on home-base blankets and get ready to step back in time, preparing to share God’s love throughout Babylon.

### Visiting Babylon!

(Daniel’s Adventures; Palace Playground; Marketplace Shops)

Tribes will meet Daniel and hear about his adventures with the king’s crazy demands. They’ll have a blast playing low-tech, high-energy, Bible-themed games at the Palace Playground. And they’ll explore the exciting shops in the Babylon Marketplace, where they can create a hanging garden, craft a mosaic treasure box, sample unexpected snacks, and more.

### Closing Tribe Time

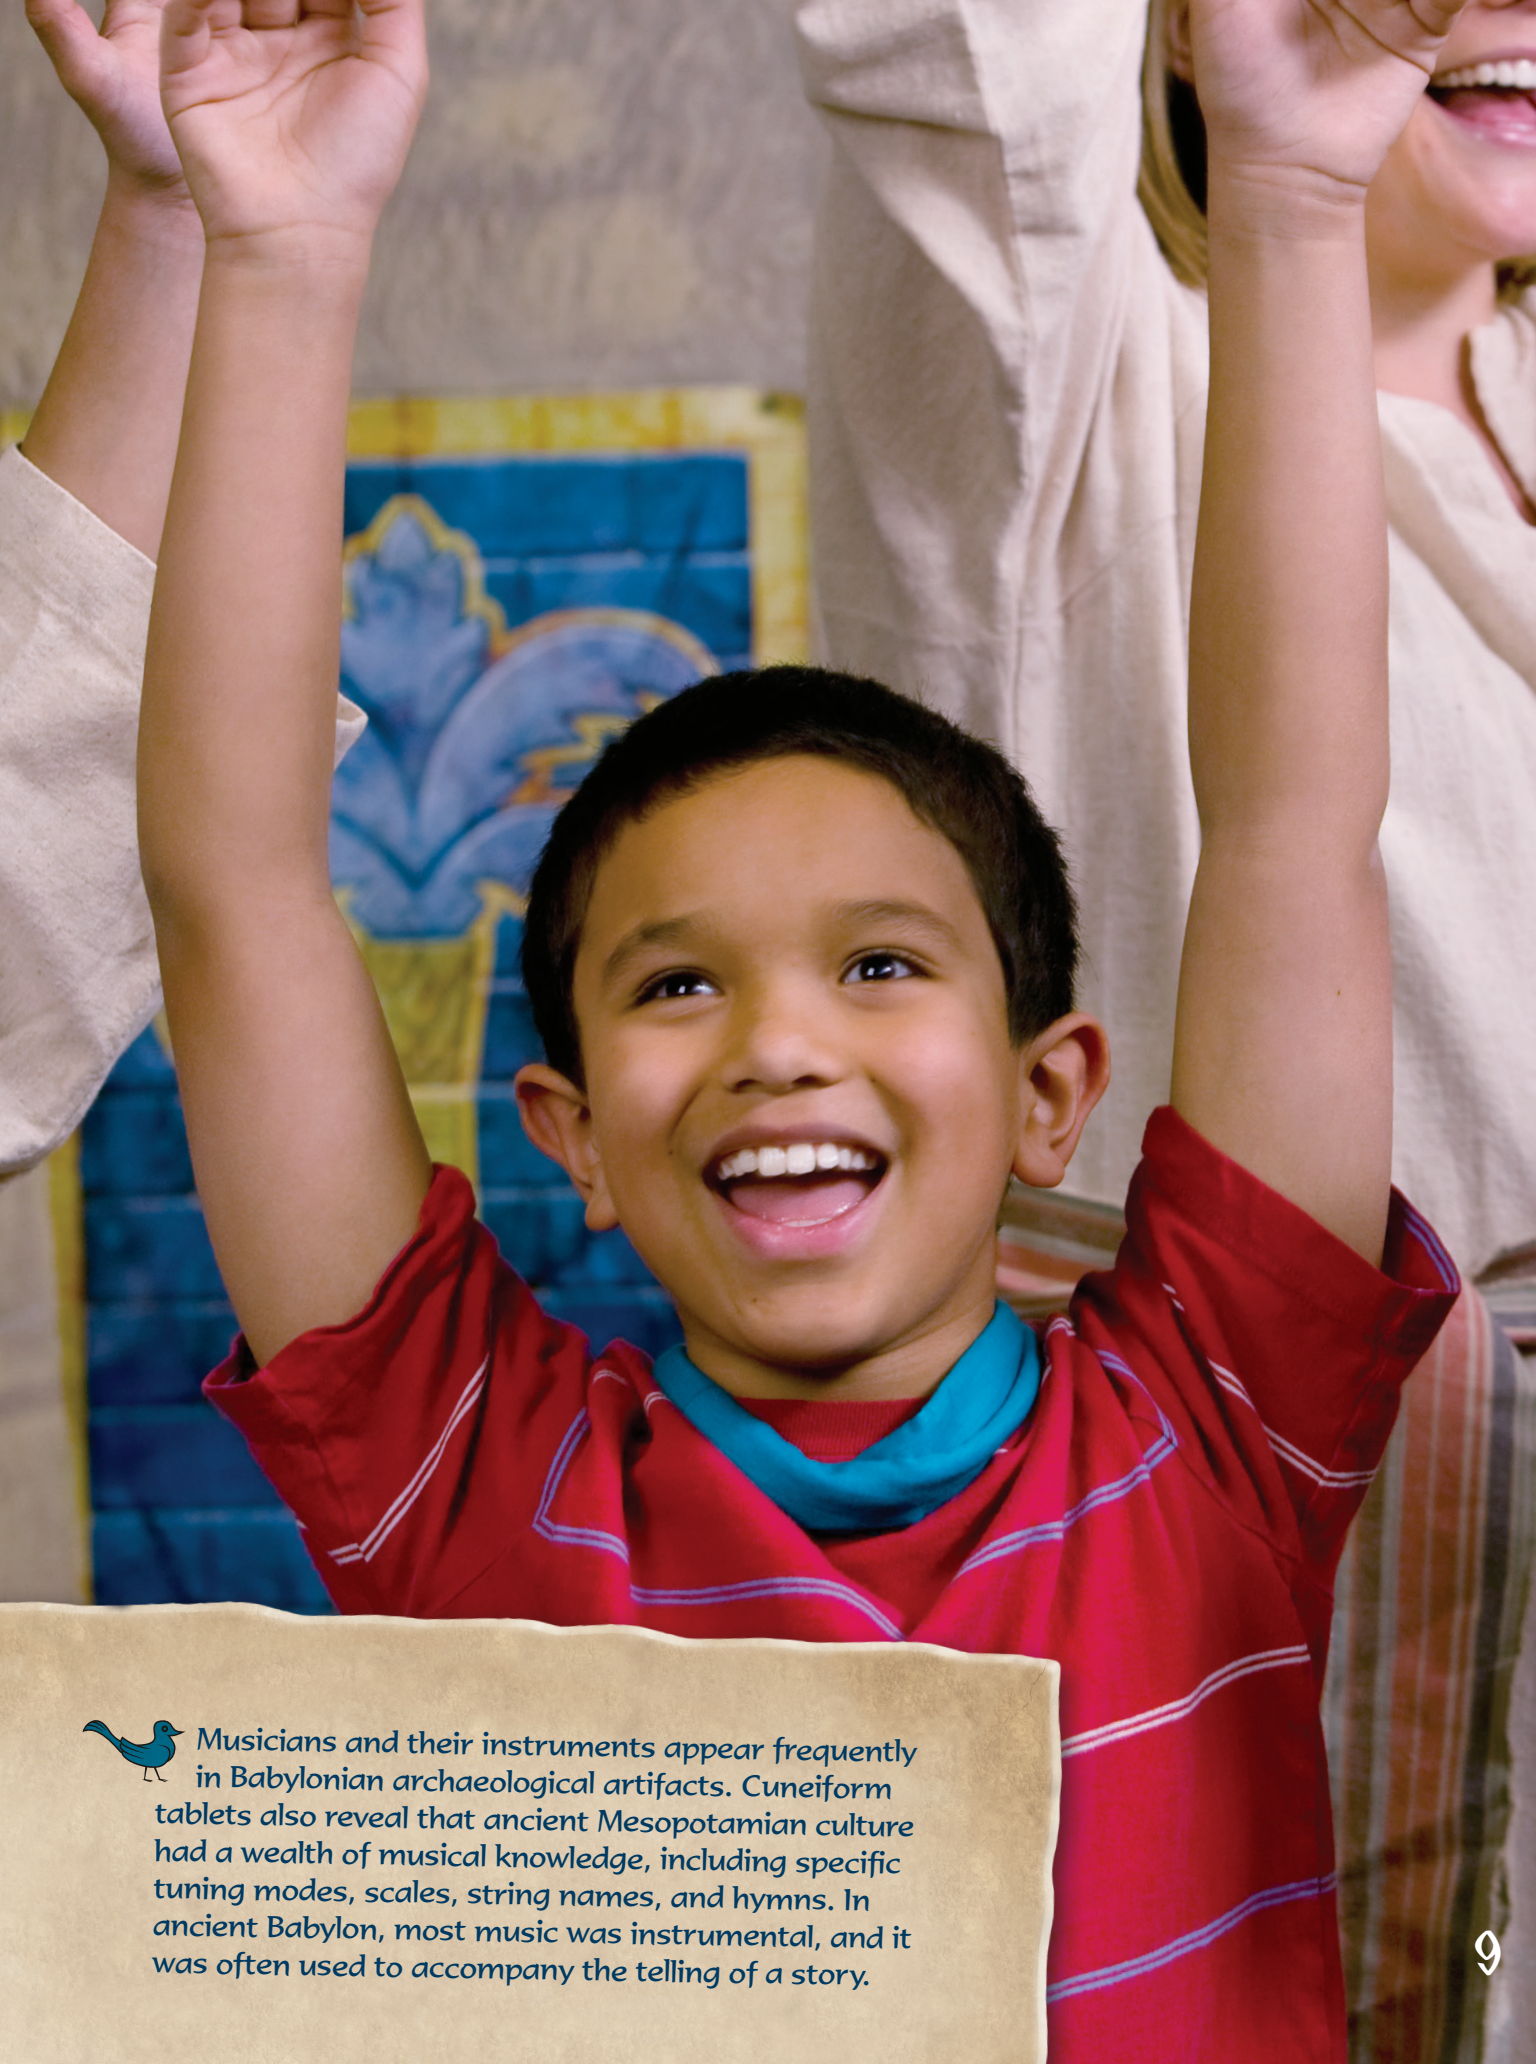

After visiting Babylon, kids return to their Tribe’s home base. Fun, engaging activities from the Tribe Time Teaching Kit help everyone connect their Babylon experiences to our modern-day lives. Kids and adults also get to share God Sightings—ways they see God in action in everyday life! (See more about God Sightings on page 24.)

### Closing Celebration

Finally, everyone comes together for joyful celebration and meaningful worship to end the fun-filled day.

Musicians and their instruments appear frequently in Babylonian archaeological artifacts. Cuneiform tablets also reveal that ancient Mesopotamian culture had a wealth of musical knowledge, including specific tuning modes, scales, string names, and hymns. In ancient Babylon, most music was instrumental, and it was often used to accompany the telling of a story.

# Babylon—at a Glance

This exciting, action-packed approach to Bible learning is one kids and adults won't soon forget!

At Babylon VBS, you'll reinforce Bible truth in a big way because the daily Bible Point is carefully integrated into each activity.

**Babylon**  
Daniel's Courage in Captivity

In Numbers 1:32-35, we find that the Tribe of Joseph is divided into the Tribe of Ephraim and the Tribe of Manasseh. So why aren't there 13 tribes total? According to Numbers 3, God set the Tribe of Levi apart for service as priests, so they "step out," so to speak, of the Tribe tally. To keep things simple, in your Babylon VBS, we've based the 12 Tribes on Genesis 49, which lists all of Jacob's sons.

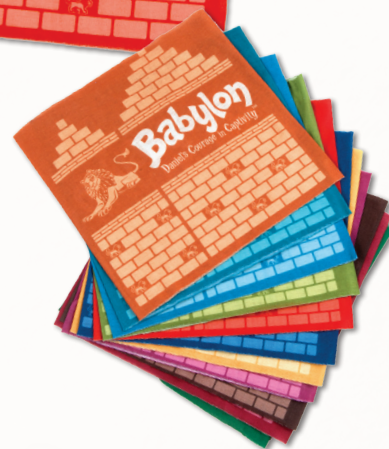

Way cool—  
wear 'em everywhere!

## Tribe Identifiers for Everyone

The Hanging Gardens of Babylon are considered to be one of the original Seven Wonders of the Ancient World. King Nebuchadnezzar II commissioned the gardens, supposedly to please his homesick wife, who missed the trees and plants of her homeland in Persia. It's believed that the gardens were destroyed by several earthquakes after the 2<sup>ND</sup> century B.C.

## Wow—did you see that?

Sometimes we read incredible, true stories of people like Daniel and his friends, and we quietly wonder why God doesn't do those things for us today. But God *is* active in our everyday lives—we just have to learn to see him.

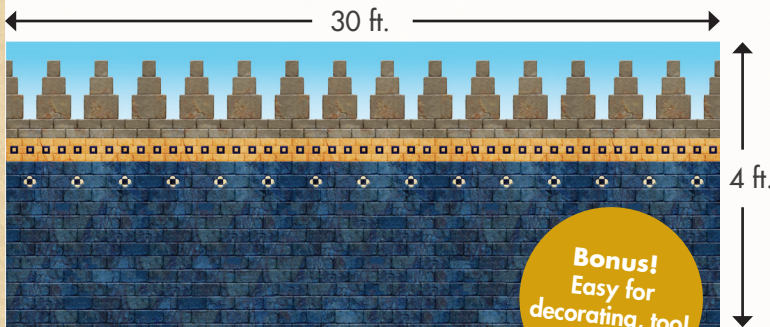

At Babylon VBS, you'll encourage everyone to look for evidence of God in things like...

- ...a blue sky,
- ...a helping hand,
- ...a laugh,
- ...a friendly face,
- ...a tasty snack, and
- ...any simple blessing.

We call those God Sightings, and yes, even preschoolers can make them part of life. It's faith-building...and easy.

In ancient Babylon, Nebuchadnezzar had an enormous wall built outside his palace. Much of that wall shone with blue and gold mosaic designs, picturing lions, dragons, and oxen. At your Babylon VBS, adults and kids will create their own dazzling wall that shines with tributes to God!

### Babylon God Sightings Wall

No time? No trouble! Use this eye-catching wall to quickly set the scene for all the God Sightings that'll happen at your Babylon VBS. Made of lightweight plastic, this 30 ft. x 4 ft. decoration is easy to hang up—and ready for instant use! It covers a huge area, providing plenty of space for kids to post their testimonies of God's blessings at VBS.

### Babylon: Behind the Scenes

In ancient Babylon, mosaic art on walls was a big part of the architecture and culture. With God Sightings, you'll mimic that Babylonian tradition to create a visual reminder of the bountiful blessings God continues to pour out upon us. Yes, God still shows up in our lives today!

# The Marketplace

The Babylon Marketplace is flexible—you decide how many or how few shops to include at your VBS. You can even choose whether to set up your Marketplace indoors or outside. No matter the size, Babylon fits your church.

## Experience the excitement of Daniel's world with hands-on crafts.

There's always something new to make, smell, taste, or see in the Babylon Marketplace!

Here kids and adults become apprentices at a variety of Babylon-inspired shops. They craft a flute with their own hands...create globes that glow from the inside out...plant miniature versions of Babylon's Hanging Gardens...snack on surprisingly delicious treats...and more!

Plus, shopkeepers talk to kids about their different ideas about God—and their viewpoints of Daniel's story. These characters encourage kids to think about and verbalize what they know about our one true God.

# Operation Kid-to-Kid™

Your kids will light up the world in 2023!

- Tagalog (Phillipines)

World Vision®  
Building a better world for children

## Turn dollars into discipleship

Across the globe, millions of people lack the comfort and hope that come from reading God's Word in their own language. In fact, in some places, even pastors don't have a Bible in their own language. That's where your VBS kids come in!

Operation Kid-to-Kid is a partnership between World Vision and Group Publishing VBS programs seeking more than 2 million Bibles to use in discipleship ministries in African nations, Latin America, and the Middle East. These Scriptures aren't simply handed out—they're used in Bible clubs, VBS programs, parenting classes, and Sunday schools. Kids and adults discover how to read and apply the truth in God's Word. That's where we can shine!

**Making a Difference:** Just think, when your church participates, you'll join other VBS programs and shine Jesus' light to families around the globe.

**A \$12 donation** for Operation Kid-to-Kid **provides a language-appropriate Bible for 5 people**, plus connects recipients with discipleship opportunities that help them grow in faith.

Create an interactive, eye-catching donation station!

## Operation Kid-to-Kid Poster Pack

With this poster pack, kids from around the world show your VBS participants why Operation Kid-to-Kid exists. It's for *real* kids like them who'll be helped by your group's efforts at Stellar VBS. Kids learn about Operation Kid-to-Kid every day during All-Star Games, inspiring them to add donations to your creative display throughout the week!

# A new way to get VBS music to families!

## Babylon Music and Media

### Take a look at Group's Lifetree app

Access to great digital VBS music just got a whole lot better. Now families can access VBS music the way they listen... through streaming! And you can get them started with a streaming music access card that will unlock the Babylon VBS music videos (and more)! Here's how it works:

1

Give families a streaming music card or code at VBS.

2

They'll create a FREE account online and enter the music code.

3

They'll download the app, enter their account info, and enjoy!

Group's Lifetree app is FREE! Streaming cards/codes give you access to Babylon music at the same price as music CDs—but with this app you get so much more:

- ➔ All the Babylon VBS music VIDEOS and other Babylon resources! (using the streaming card or code)
- ➔ Lots more FREE content to keep the Bible-fun going!
- ➔ Apple and Android compatibility
- ➔ Listen in the car (Bluetooth connectivity required)
- ➔ Offline listening functionality to save bandwidth

**It's Easy!** The Streaming Music Cards will have complete instructions to help families get started with the app and how to use the code to access their Babylon VBS music videos.

### Why Can't I Copy the Music?

To get the very best music for your program, we use a variety of artists and publishers. These songs are their property, and we pay them a royalty each time we distribute their work. That means we can't legally or ethically give you permission to make copies.

# Resources to make your life easier
