

Let's Make a Splash!

As part of Scuba VBS, our church will participate in an Operation Kid-to-Kid™ international mission project that gives kids the opportunity to provide life-saving clean water for kids in Honduras. This year, hundreds of thousands of children in America will raise money to help World Vision in their goal of making clean water accessible in developing nations.

During Scuba, kids will collect donations. For every \$5 collected, our partners at World Vision can resource someone with clean water for more than a year!
