Crafting fun, faith-building VBS programs since 1996...

For more than 25 years, Group VBS has partnered with churches around the world to create **innovative experiences that bring the Bible to life**. From wandering through the wilderness to exploring ancient Rome, we've intentionally designed amazing environments **where kids discover God in REAL ways**. Kids don't just memorize a Bible verse; they personalize it. They don't just learn a Bible story every day; they do it. And these eternal truths are reinforced in every activity they do.

Group's VBS helps kids move from **knowing about God to knowing God**. How does it happen? Not by accident! To achieve such a highly relational atmosphere, the right physical, emotional, and spiritual environment must be created. One that **allows Jesus to work and speak**. And when it comes to VBS, no one is more *purposeful* than Group about creating this precise environment. The music matches the theme and Bible Points. The crafts and games have a purpose beyond just entertaining kids. **Every experience at Jerusalem Marketplace has been designed to create the best possible environment for God to change kids' hearts!**

We're praying your Jerusalem Marketplace will allow God's love and purpose for each person to come to life like never before...touching lives and drawing in kids and adults closer to the God who created them. Amen!

Your kids can do a world of good!

Turn dollars into cool school tools!

A shiny, new notebook, colorful pens, a rainbow box of crayons. There's something fresh and exciting about back-to-school lists. They're more than supplies—they represent all the potential and possibility of a new year. But for some kids in North America, basic supplies are hard to come by. That's where your kids come in!

This year, Operation Kid-to-Kid is partnering with World Vision to help bless countless students and teachers on Native American reservations. As kids visit the Operation Kid-to-Kid tent, they'll craft a pencil-shaped bookmark and be inspired to donate dollars that will turn into enough school supplies for children for an entire year!

Due to World Vision's partnerships, \$1 can supplement school supplies for one child for a WHOLE year!

Operation Kid-to-Kid Poster Pack

Use this poster pack to create a compelling donation display in the Marketplace! As kids go through the week, they'll learn about the real kids who they're helping with their donations. (Posters measure 3 ft. x 5 ft.)

Tribes consist of no more than 10 participants and one leader. This makes “Tribe Leader” a no-prep job—anyone who loves Jesus and loves kids can lead.

Tribes are based on the ancient 12 Tribes of Israel from Genesis 49.

Everyone's welcome in a Tribe!

Small group “Tribes” are safe learning environments for your kids.

At Jerusalem Marketplace, all kids and adults will join a Tribe. These small, multi-age groups of no more than 10 build unity, encourage communication, and create wonderful memories that participants will cherish for years to come. You'll love watching Tribes interact together!

Multi-age Tribes travel together each day—worshipping, learning about life in the Marketplace, visiting the Rabbi in the Synagogue, and digging into living, breathing Bible history. Social skills improve, self-esteem rises, cooperation increases, and your discipline problems diminish.

Flicker Lights

Long-lasting battery-operated Flicker Lights imitate the wavering flame of real candles—but in a safe, non-flammable way. Use these in the oil lamp that comes in the Tribe Time Teaching Kit, and spread them around as illumination accents in your Synagogue School.

God Sightings help kids spot God everywhere...a key skill for life!

God Sightings open kids' eyes!

God hasn't retired. He's as busy as he's ever been—always at work in the lives of your kids. But until they see that with their own eyes, it's tough to have a vibrant faith.

That's why at Jerusalem Marketplace, you'll encourage kids and adults to look for **God Sightings: everyday clues that God is present, passionate, and powerful.**

Participants (even preschoolers!) will discover they can see God in things like nature, friends, their Bibles, and their circumstances. And their faith will grow as they actually see God at work because, at last, they're really looking.

God Sightings Maps

You'll use these special God Sightings Giant Maps to represent Jesus' journey to the cross through ancient Jerusalem. Each durable and easy-to-hang poster measures 17 in. x 22 in. By the end of your VBS, your map wall will be a stunning visual of God's faithfulness to your kids!
