LESSON 1

MYSTERY
MISSION

Ask a friend or family member, "What doubts do you have about God?"

Tell the person about three things that help doubt lead to faith:

1. Check in with God.
2. Talk with other Christians so they can help.
3. Stick with God.

Pray for the person you're talking with—right on the spot.

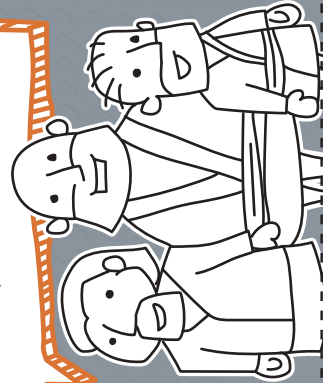

Do not open until
you get home!

LESSON 3

MYSTERY
MISSION

Your mission: After you put your cube near the door you most often use to leave your house, explain to every person who lives with you what it means—and ask them to touch it when they leave the house each day. You do it, too!

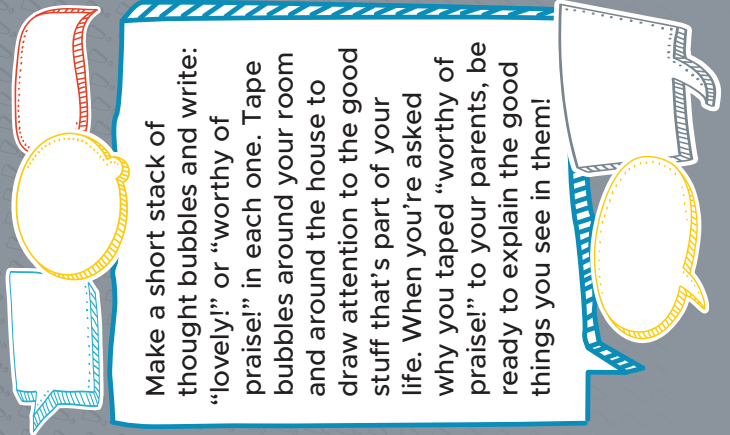

Do not open until
Monday morning.

LESSON 5

MYSTERY
MISSION

Make a short stack of thought bubbles and write: "lovely!" or "worthy of praise!" in each one. Tape bubbles around your room and around the house to draw attention to the good stuff that's part of your life. When you're asked why you taped "worthy of praise!" to your parents, be ready to explain the good things you see in them!

Do not open until
tomorrow morning.

LESSON 6

MYSTERY
MISSION

Give your friend the extra Lie Detectors you made.

Be bold—remind that person of the truth about them at least three times this week!
