

Light as a Feather Book

Materials:

- ◆ cardboard
- ◆ cream-colored paper
- ◆ colored chalk

Tools:

- ◆ hot glue gun
- ◆ utility knife
- ◆ straight edge
- ◆ cutting mat

Directions:

Step 1: Cut a rectangle out of cardboard. Place your ruler in the center of the cardboard. Score lines in the cardboard along either side of the ruler.

Step 2: Cut a 2x8-inch tab and score the center the same thickness as that of the book. Fold the tab along the score lines.

Step 3: Use chalk to color the scored side of your cardboard.

Step 4: Hot glue the folded tab to the inside of the book.

Step 5: Cut the paper to the width of the book. Fold and slip in the top so it looks like pages.
