

2023 Master Supply List

See what you'll need for each activity.

The following list tells what supplies are required at each center. Be sure to look at supply lists given with each center or shop for more detail about the supplies needed. Some stations have activity options, so you will need supplies only for the activities chosen by the VBS Director and Station Leaders. Download and print shop signs for Celebration, Daniel's Adventures, and Palace Playground from the "Program Resources" section of the Clip Art & Resources CD found in your Starter Kit.
